

Dear Shefali

This is to certify that we have been extremely overwhelmed with the kind of sales response our 300 years old fortified Heritage property, “Chomu Palace” has received, post integrating ourselves as a Presenter, with your grand music video, “Ghoomar – A Royal Folk” streaming on 350+ digital platforms. You are dynamic, determined and visionary as a solopreneur, working tirelessly with equal competency in diverse verticals from designing a detailed viable proposal to creating a relevant music & video content, polishing your skills with long rehearsals hours as an artist to handling massive production team of 50 at par professionals to finally directing the video, so aesthetically managing your stupendous looks with heavy costume alongside for 15 hours at one go.

We are impressed with the phenomenal music video output, showcasing every corner of our regal, royal, heritage venue in the most authentic and magnificent way. Our satisfaction is beyond words for the powerful promotions & publicity across all media platforms highlighting Chomu Palace, be it in leading newspapers like Times of India headlines, TV Channels like Zoom, B4U, Radio stations like RED FM, Radio Mirchi to lakhs of views across Youtube and Social Media presence. You delivered more than committed and expected with respect to targeted marketing campaigns, fetching us increased visibility and business among Wedding Planners, Event Managers, MICE agents and Get Away Tourists. You are a go-getter and undoubtedly shall revolutionize the business for heritage properties, while unveiling the rich glory and pride of our beloved country at the global level, thus creating a great cause. Wishing you all the very best in every endeavor and looking for many more such trusted, fruitful associations with your label “Unwind Communications”.
